

CA->CareMail Exit Survey

Thank you again for helping us today. Please take a few minutes to reflect on your experiences with the application. Please share your honest opinions. This information will be used to help us improve the application.

1. What did you think about the overall application? Did it seem easy or difficult? What makes it that way?

2. Did you feel anything was missing from the application?

3. What did you like best about the application?

4. What did you like least about the application?

5. Do you think some people will have problems using the application? What kind of problems?

6. Do you have any other comments you would like to share?
