
Consent Form for Usability Testing - Remote

You are invited to participate in a usability test of the CA->CareMail application. The goal of this test is to see if there are concerns with the design or ease of use. Information learned during the test will be used to improve the application. We need your permission to take notes and record your actions as part of the test. Only your screen actions and voice will be recorded. Your name will not be associated with this recording or any of our findings. Please read and sign this form.

☐ I agree to participate in the test conducted and recorded by CGI.

I agree to participate in an online session using my computer and telephone. During the session I will be interviewed about the application, asked to find information or complete tasks using the application and asked to complete online questionnaires about the experience.

I understand and consent to the use and release of the recording by CGI. I understand that the information and recording are for research purposes only and that my name and image will not be used for any other purpose. I relinquish any rights to the recording and understand the recording may be copied and used by CGI without further permission.

I understand that participation is voluntary and I agree to immediately raise any concerns I might have.

☐ I choose not to participate at this time.

Please sign below to indicate that you have read and you understand the information on this form and that any questions you might have about the session have been answered.
